EFORT Fall Travelling Fellowship – Turkey, 1 to 7 October 2017

Dear Presidents and Secretary Generals,

We are happy to announce the EFORT Fall Travelling Fellowship 2017 **to be held in Turkey, in the cities of Istanbul and Ankara from 1 to 7 October.**

We would like to kindly invite you to nominate your candidate who will be participating in the travelling fellowship **by 15 August 2017 at the latest.** We would appreciate if you provided us with the full contact details of your nominated fellow so we can liaise with him/her directly for all further correspondence. Kindly also request the fellow to complete the enclosed master C.V. (Curriculum Vitae) and send it back to us.

By nominating one candidate for the EFORT Fall Travelling Fellowship, you help us to achieve our main goal for the fellowships which is:

“To enhance and unify orthopaedic training, continuous medical education and knowledge transfer among Europe.”

The former travelling fellowships were appreciated by the participating fellows. We are convinced that this is a great opportunity for the young colleagues to create new personal bonds and to improve mutual understanding, collaboration as well as unity of all national associations of orthopaedics and traumatology in Europe. This is an excellent chance for the fellows and it is a duty of EFORT to support them.

Please do not hesitate to contact us directly if you need any further information. We look forward to an excellent travelling fellowship and would like to thank the Turkish Society of Orthopaedics and Traumatology for organising the EFORT Fall Travelling Fellowship 2017.
